

**TITLE:** Chronological Age Calculator, 2024-2025

**NUMBER:** MEM-6860.7

**ISSUER:** William R. Johnston  
Executive Director  
Office of Data and Accountability

Frances Baez  
Chief Academic Officer  
Division of Instruction

**DATE:** July 1, 2024

**PURPOSE:** The Chronological Age Calculator helps schools determine a student's age for grade level placement.

**MAJOR CHANGES:** Minimum age requirements for grades PK, TE, and TK and Attachment A have been updated for school year 2024-2025. This memorandum replaces MEM-6860.6 dated May 22, 2023.

**INSTRUCTIONS:** Schools are encouraged to use the online tool, Chronological Age Calculator, to determine grade placement. The tool can be found at <https://agecalculator.lausd.net/>.

The tables below indicate the age requirements at the time of enrollment during the 2024-2025 school year for grades PK-12.

*Table 1- Age Requirement for Grades PK, TE, and TK*

Grade Level	Minimum Age at Enrollment	Birth Date	MiSiS Course Number
PK*	3-5 years	n/a	110101
TE	n/a	From June 3, 2020 through September 1, 2020	110102
TK	n/a	From September 2, 2019 through June 2, 2020	110190

**ROUTING**  
Region  
Superintendents  
Principals  
APs  
SAAs

\*Assign to grade level PK if student has an IEP and their class/program placement is Pre-K (e.g., PAL, PSC, etc.). Otherwise, TE or TK is recommended for the 2024-2025 school year.

*Table 2- Recommended Placement for Grades K through 8*

<b>Grade Level</b>	<b>Birthdate Range</b>
K	9/2/2018 - 9/1/2019
1	9/2/2017 - 9/1/2018
2	9/2/2016 - 9/1/2017
3	9/2/2015 - 9/1/2016
4	9/2/2014 - 9/1/2015
5	9/2/2013 - 9/1/2014
6	9/2/2012 - 9/1/2013
7	9/2/2011 - 9/1/2012
8	9/2/2010 - 9/1/2011

The Recommended Grade Level Placement should be followed when determining a student's grade level. In rare circumstances, the Optional Grade Level Placement may be used. When using the Optional Grade Level Placement, the following should be taken into consideration:

- Data (such as grades and assessment scores) that support the decision
- Social-emotional impact on a student for being older/younger than peers'
- Teacher recommendation based on qualitative and quantitative data
- Parent input
- Previous educational enrollments (i.e. first school enrollment in the US)
- Overall benefit to the student

The Optional Grade Level Placement should be reserved for special circumstances where it is the only viable path for addressing a student's unique needs.

*Table 3- Optional Placement for Grades K through 8*

<b>Grade Level</b>	<b>Birthdate Range</b>
K	12/1/2017 - 9/1/2019
1	12/1/2016 - 9/1/2018
2	12/1/2015 - 11/1/2017
3	12/1/2014 - 11/1/2016
4	12/1/2013 - 11/1/2015
5	12/1/2012 - 11/1/2014
6	12/1/2011 - 11/1/2013
7	12/1/2010 - 11/1/2012
8	12/1/2009 - 11/1/2011

All ages displayed in Attachment A refer to a student’s age as of July 1 of the current school year. The ages are displayed in YEAR.MONTH format (e.g., 4.9 indicates the age of 4 years and 9 months).

Grade-level placement in grades 2-8 may, in rare circumstances, vary from the ages listed above. High school grade placement is based on the educational history and academic credits earned by each student, not age.

Attachment A provides the chronological ages for students born between January 2002 and December 2021. To use the Chronological Age Calculator Tables, follow the instructions below:

- Find the table for the current calendar month as indicated by the heading “Use only during Month Year.”
- Find the birth year of the student in the first column of each table.
- Find the birth month of the student as indicated by the column headings.
- The cell where the birth year row and birth month column meet indicates the age (year-month) of the student for the current month.

For example, to find the age of a student born in July 2019, in August 2024, use the table with the heading “Use only during August 2024.” Find the birth year 2018 at either side of the table and read across the row to the “July” column. For birth year 2019, the “July” column shows the student is 5 years and 1 month old in August 2024.

**RELATED RESOURCES:** [REF-123501.3, Universal Transitional Kindergarten Implementation](#), dated April 22, 2024.

**ATTACHMENTS:** Attachment A- Chronological Age Calculator

**ASSISTANCE:** For assistance regarding appropriate grade placement or reading the age calculator table, please contact your region PSA Coordinator or the Division of Instruction, Academic and Counseling Services at (213) 241-7510.

For assistance regarding Pre-K or the Universal Transitional Kindergarten Program, please contact the Early Childhood Education Division at (213) 241-0415.

**CHRONOLOGICAL AGE CALCULATOR**

Use only during July 2024.

Example: A pupil born in July 2012 will have attained an age of 12 years, 0 month by July 2024.
